“Don’t confuse **EFFORT**
with **RESULTS!”**

A professional firm of Solutionists™ dedicated to providing effective business solutions to any size business, by synthesizing talents and services from our comprehensive network of international business partners.

OUR PHILOSOPHY...

Our charter is to provide experience-backed direction, common sense advice and "hands on" innovative guidance, in programs designed to help you make action decisions to improve productivity and your bottom line.

Our Solutioning (tm) services includes expertise in global business development, marketing, sales, operations, finance/accounting, information systems and corporate governance (Sarbanes-Oxley compliance), all geared to allow you to know your customers and products. Since we know the needs and capabilities of most business types, we can design effective and productive solutions.

When asked when we will accomplish results, we look at our watches, not the calendar!

Business Solutioning

We provide direction, common sense advice and "hands on" guidance, in programs designed to help you make action decisions which should improve productivity and your bottom line.

Our Solutioning™ services includes expertise in global marketing, information systems, resources and productivity planning, financial and business risk management, all geared to allow you to know your customers and products. Some of our Business Solutioning™ services include:

- | | |
|---------------------------------------|-------------------------------|
| Strategic Planning | Operations Review |
| ERM Solutions | Requests for Proposal |
| Business Risk Evaluation & Management | Information Systems Review |
| Global Expansion | Executive Information Systems |
| Guerilla Marketing | Organization Reviews |
| Resources & Productivity Planning | Warehouse Efficiency Review |
| Staff Productivity Analysis | CyberSolutioning™ |
| Project Management | MYWEB – Marketing Your Web |

To succeed in business today you need to think global. And you need to do so for all the right reasons:

- Economies of scale and scope
- Leverage your capabilities
- Improve domestic markets through knowledge learned in foreign markets
- Diversify globally to spread your exposure and reduce your risk

At GAP Enterprises, LLC we can help with our tailored programs designed to help you expand globally. We provide direction, common sense advice and "hands on" guidance in programs designed to optimize your strategic direction.

And we live by our credo:

*"Don't confuse **EFFORT** with **RESULTS!**"*

Whether we develop a strategic plan for expansion worldwide, reorganize your existing operation (including Sarbanes-Oxley compliance) or design and develop an effective marketing program, you can be sure of results. With over four decades experience in the business world in various management capacities, our partners and staff can save you time and money with their extensive expertise.

How can we help? (Tell us about your organization)

What is your name, title, company name, address, telephone, URL and e-mail address.

In which industry do you do business?

What do you do?

What products or services do you sell?

Where do you sell your products/services?

What are your objectives?

What is your target market?
